FOREWORD

Priyadarshni Academy is a unique institution and Mr. Niranjan Hiranandani and Mr. Nanik Rupani are visionaries. The name of the institution and its builder – stand for excellence and achievement in full harmony with one another. The making of this institution is an inspirational story that every Indian must know. So, this book is very welcome.

What do I admire about the Academy ? First and foremost are its values. For example, the innovative programs through which it provides educational opportunities to less privileged children are very important. I know it, because I am aware of the fact that without those 60 rupees per month of Sir Dorab Tata Scholarship, I myself would not have been able to study. So, first and foremost, we salute the Academy for helping hundreds of potential Mashelkars, among other things.

The Academy's activities are as varied as they are impact-making. The activities in the field of medicine, human rights, environmental protection and international relations, inculcating the spirit of service amongst the common citizens and promoting the ancient cultural heritage of India and 'humanism' in all its true manifestations, are those not only the Academy but the nation can be proud of.

My own association with both Nanikji and Academy began when I was an award winner of Priyadarshni Academy's annual global awards in the year 2002. Subsequently, I have been chairing the committee to select the awards. I have seen a steep jump in the quality of these awards over the years. Today, these awards have acquired global recognition.

I am also happy to see the innovative efforts to launch some thought-provoking books, the first being "Kautilya's Arthashastra: The way of Financial Management and Economic Governance", which brings out the power of the Indian mind in an inspirational way.

Finally, my own appreciation to the man who created this wonderful Priyadarshni Academy, Mr. Nanik Rupani himself. His infectious enthusiasm, his unwavering commitment to India and Indianness, his passion and compassion for society and to this great nation are truly remarkable.

As the Academy marches forward, we wish it a great journey – and to Mr. Hiranandani and Nanikji, we can only thank them for what they are, and for what they have done to the society and the nation.

A Fabulous Journey

By

DR. NIRANJAN HIRANANDANI

Priyadarshni Academy completes 34 years of service to the society - and what an incredible journey it has been!

Exciting and rewarding in more ways than one, and one that we can all look back at - with pride.

34 wonderful years during which we have been able to give back to the society. Love and respect in good measure in all these years. Indeed the cycle of life!

Service before self has been the guiding philosophy of the Academy and we have over the years strived to do justice to this philosophy.

Brainchild of our founder, Nanik Rupani, the Academy was founded with his vision to create a forum to showcase talent, uplift the needy, and educate the deserving young men and women with financial constraints besides assisting in promoting other socially relevant issues.

Over the period of time this Academy has grown, as has its objective of the various noble causes it has adopted.

The achievements of Priyadarshni Academy over the last three decades are many - few of them, summarized below. Most of these important contributions have brought the Academy much kudos, not only within the country, but even globally.

Funding bright youngsters to pursue their dreams through education, honoring eminent personalities from various fields, who have made a mark in society, cultural exchange programs between countries to promote brotherhood, conducting medical camps for poor sections of the society, promoting national integration through dance and drama, reviving Vedic literature through publication of books, et al are some of the valuable contributions of the Academy.

The prestigious biennial Global awards of the Academy have honored such eminent personalities such as Mr. Abe Shinzo, Prime Minister of Japan, Ms. Megawati Soekarnoputri, Member of the House of Representatives, Indonesia, Rt Hon John Prescott, Deputy Prime Minister, UK., Mr N. Narayana Murthy and Mr Kumar Mangalam Birla to name just a few.

These awards are considered amongst the significant events in the Indian calendar.

The success of the Academy's noble endeavors encourages us to continue our efforts into the future with additional enthusiasm, with the objective to spread the cause to touch many more hearts on our way forward.

34 YEARS OF SERVICE TO HUMANITY is a treatise that chronicles the eventful journey of Priyadarshni Academy highlighting its many achievements and milestones over the last three decades.

Chapter 01

THE EVOLUTION OF PRIYADARSHNI ACADEMY

It was 1984. A talented young Kathak danseuse, Ms. Anila Sunder, was trying to find expression to her talent. She was looking for a platform to showcase her talent. She approached Mr. Rupani and like-minded individuals like Mr. Murli Adnani, Prof. Popati Hiranandani, Mr. Jamnadas Lalwani, Ms. Kaushi Mirpuri, Mr. Ramkrishan Advani, Mr. Chander Manghnani, and Mr. Madhav Balwani for help. The group felt the need to figure a way out to help her. What resulted was a series of meetings and discussions, and brainstorming. Then, the moment of reckoning arrived. The group decided to form an organization and gave it the evergreen name, **PRIYADARSHNI ACADEMY**.

The under-privileged in any society, more so in a developing country like India, are the victims of circumstances. They are deprived of deserving recognition. They depend on the government for survival. The talented among them rarely come to the fore. Only public-spirited institutions and individuals strive to provide a platform for their cause. As such, Non-Governmental Organizations (NGOs) mushroom but only a handful sustain themselves in giving the required support to the needy. It is the spirit of selfless sacrifice of the individuals behind these institutions that help the institutions to thrive. Many times, lofty ideas and ideals of leaders do not see the light of day due to lack of efforts by people down the line to

implement them. It is important to provide a healing touch at the grass-roots level. When a social organization tries to incorporate cultural and spiritual ethos in its functioning, it emerges as a shining example to others.

Priyadarshni Academy stands as a true example of how a socio-cultural and educational organization should function in a country with a vast social, cultural and spiritual diversity. Mr. Nanik Rupani, the Founder-Chairman of this institution, had a vision to help humanity right from his childhood. Even in his school days, he sold tit-bits and used the money earned to support the education of those in need. He

Mr. Rupani has always held the view, "since we have taken so much from society, it is our duty to pay back." True to its name, Priyadarshni Academy adopted the motto, "Service to humanity is the best work of life."

realized that a formal platform is essential to channelize efforts to serve humanity in a systematic and orderly way.

Mr. Rupani has always held the view, "since we have taken so much from society, it is our duty to pay back." True to its name, Priyadarshni Academy adopted the motto, "Service to humanity is the best work of life."

On March 18, 1985, Priyadarshni Academy was formally inaugurated by

18 March 1985 Mr. Vilasrao Deshmukh addressing the audience at the Inaugural function of the Priyadarshni Academy at Tejpal Auditorium. Seen from left to right are Dr. V. Subramanian, Mr. Nanik Rupani, Mr. Murli Adnani, Prof. Ram Panjwani, Mr. Ramkrishin Advani and Mr. Devidas Mulchandani

Dr. V. Subramanian, Minister for Housing, Government of Maharashtra, who was the Chief Guest. Mr. Vilasrao Deshmukh, Home Minister of Maharashtra, was the Guest of Honor. Mr. Deshmukh was all praise for the Academy's ideals. Ms. Anila Sunder rendered an excellent dance performance. Prof. Ram Panjwani enlivened the occasion with Urdu couplets and Sindhi songs. Mr. Hotchand Advani and Mrs. Kaushi Mirpuri spoke on the occasion. Mr. Nanik Rupani declared that the Academy would be a platform for the uplift of people without means.

The Academy's beginnings were humble, but the aim was ambitious. Many doubted the survival of the Academy as money was not easy to come by and professionally dedicated resources were scarce. Only internationally supported NGOs rode the tide. For an NGO to survive, two things were essential – leaders' vision and monetary resources. Fortunately,

Priyadarshni Academy had the former in plenty and lacked the latter. However it had the determination to raise adequate resources. Mr. Rupani always says, "In God's Bank, there is no dearth of funds".

These qualities were evident in the first annual function itself. It was attended by dignitaries in large numbers and several cash awards were announced. They included scholarships, literary awards, and the Academy's prestigious National Integration Award. At the end of it, many individuals, including media leaders, admired the organizational capabilities of the budding organization but still harbored doubts about its sustenance. The Academy always tried to fulfill its commitments and, on many occasions, exceeded its targets.

The Academy attempted to help as many people as it could. Soon, it gained recognition for its selfless service, commitment, and dedication. Everyone felt that this was an organization that delivered.

In 1994, the Academy went global by announcing its first international

award. Encouraged by the outstanding response, it gradually increased the number of global awards. In 1998, the Academy held its Global Awards function in great splendor. The Academy had arrived and become globally recognized.

An Impetus to Indian Society The Learning Curve

Our former President Sri Sarvapalli Radhakrishnan once said, “India’s future will be shaped in her classrooms.” There is no doubt that education alone can develop the youth to be worthy citizens of the future. Everyone is born free with a right to education. Denying proper education to the young is gross negligence on the part of a government. In practice, many unprivileged but enthusiastic youth cannot even pursue basic education, leave alone professional and higher education. In an effort to provide a bright future for the country, Priyadarshni Academy made educational assistance to the deserving and the needy its primary area of focus. Scholarships are awarded to students at school and college levels as well as to those pursuing professional courses like medicine, engineering, and information technology, among others.

To take its vision forward, the Academy formed an alliance with the reputed Partha Institute of Personality Development in order to encourage youngsters to develop self-esteem and positive attitude. The two institutions organized annual essay competitions from 1989 to 1993. The essay topics were carefully chosen to encourage thought and expression. Prize money of Rs. 5000/- was provided, a significant sum in those days.

The Academy has been successful, year after year, in enhancing the number of students receiving scholarships. In

the year 2007-08, the total number of students who received scholarships was 93 whereas it rose to 380 in the year 2016-17.

The function for awarding scholarships along with the Academy’s literary awards presentation is held annually.

A Friend in Need

Any NGO’s primary objective is to help the needy and Priyadarshni Academy is not an exception. The Academy has never turned down anyone in need of real help.

It has come to the rescue of countless individuals and organizations throughout its existence. In its early years, it readily extended help for medical and other emergencies, gave support to deserving sportspersons to help them attain glory for India, sponsored programmes and events of social and cultural importance,

and contributed liberally to institutions who worked for the upliftment of the poor and the downtrodden. The Academy also encourages students, artistes, and the like to pursue their dreams and desires and become a part of India’s growth story.

National Integration

Nature has bestowed wealth, beauty and power on our country. Human mind in our country has developed fully much before in other parts of the world. Civilized societies with a rich culture were part of ancient India. Great philosophers all over

the world fully endorsed that India was a country which could teach values and virtues to the whole world. But the country, after struggling through various dynasties and the British rule over centuries, is fully segmented. What our country needs most now is national integration.

Priyadarshni Academy fully believes that national integration can be achieved only through social and cultural bonds. Soon after its formation in 1985, the Academy decided to promote national integration by instituting an award of Rupees one lakh to be presented every three years to an individual or an organization for the contribution they make to national integration through promoting culture, literature or art.

The first National Integration Award of the Academy was presented to Dr. Shrikant Verma, posthumously, for the

body of literary works which contributed to the promotion of national integration. His wife, Mrs. Veena Verma, received the award and the trophy at the annual function of the Academy on September 19, 1988.

The next National Integration Award went to Mr. Sunil Dutt, a renowned actor, who undertook the historical Mahashanti Padayatra from Mumbai to Amritsar to bring about peace and harmony in Punjab which was plagued by terrorism. This 2000 km. walk by Mr. Dutt which started on January 26, 1987 was a display of great courage. It is pertinent to point out that Mr. Dutt took another padayatra from Nagasaki to Hiroshima in Japan to highlight the need for disarmament and ban on nuclear weapons to promote international peace.

On August 20, 1993, the award was renamed as the Rajiv Gandhi Memorial Award for National Integration. The first Rajiv Gandhi Memorial Award for national integration was bagged by Bharatiya Vidya Bhavan.

National Integration through Dance and Music

National integration can be achieved through the promotion of culture and the arts. The Academy chose dance and music as the media to preserve Indian culture and the performing arts. The objectives it set out were twofold:

- To promote young talent in Indian classical dance and music
- To create greater awareness and deeper interest in our rich heritage to bring about unity

The first dance and music function of the Academy was organized in 1999.

It featured talented classical musicians and dancers. The programme provided an opportunity for upcoming artists to showcase their talents and carve a niche for themselves in the field of the classical arts.

The national integration project was further strengthened by setting up a Cultural Committee. This committee organizes dance and music programmes of high quality twice a year.

An evening in HIS devotion - Bhajan Sandhya

As part of the National Integration through Dance and Music program, the Academy organized its first Bhajan Sandhya in 1999. Bhajan Sandhya is a soul stirring musical extravaganza which features a wide spectrum of cultural and religious songs presented by renowned musicians and artists.

26 June 1999 -

Ms. Nandini Krishna performs a Bharata Natyam dance recital under the Academy's 'National Integration through Dance and Music' programme, conducted in collaboration with Jai Hind College, at the College's auditorium in Mumbai

In 1999, the Academy sent its group of Bhajan artists to ‘Shri Krishna Janmotsav’, organized by the Shri Krishna Gyan Mandir. The maestros of music, Mr. P. S. Krishnamurthy, Mr. Debangshu Chakraborty, Mr. Rajesh David, Mr. Jayant Niralkar, Mr. Ramesh Kavishwar, Shri Mahendra Jagria, Pandit Mahadev Mishra, and Pandit Daliliji created an air of magic through devotional music. The artists presented melodious Krishna bhajans to a gathering of 2000 devotees. Their enchanting recitals contributed to the ambience of devotion during the celebration of the auspicious festival of Janamashtami.

Cultural Exchange

The Academy felt the need to project the greatness of our country and the richness and diversity of Indian culture to the world. Cultural exchanges were seen as a fruitful platform to project our rich culture.

The first international cultural exchange took place with students of Osaka University, Japan, performing in India. The 18-member troupe led by Prof Tomio Mizokami, consisted of Japanese students of Hindi literature from Osaka University of Oriental Studies. The first performance took place on January 4, 1998 in collaboration with Jai Hind College in its auditorium. The Japanese students staged renowned Hindi plays ‘Parda Uthne Se Pehle’ (by Rajendra Kumar Sharma) and ‘Pyar Kaise Hota Hai’ (by Mr. Ramashankar Nishesh).

After the first programme that received great appreciation from the audience, the Academy built a healthy relationship with Osaka University for hosting such international cultural exchange programmes in subsequent years. In 1999, students from the University came again and performed a social comedy titled ‘Kaya Kalp’ in Hindi.

2 March 1999 - A scene from the Hindi play ‘Kayakalp’ being performed by a group of students from Japan’s Osaka University at the Nehru Centre, Mumbai, under the ‘International Cultural Exchange Programme’ of PriyadarshniAcademy.

This activity opened doors for a global audience to come and experience the diversity in Indian culture, languages and the people. The hospitality and warmth of our people made it a wholesome experience.

Recently, the Academy facilitated the presentation of a Hindi play titled “Hiroshima Ki Kahani” at the I2IT campus in Pune by a group from Japan.

Sporting Encounters

Priyadarshni Academy looks for talent in every walk of life. It takes pride in identifying itself with Indians who bring honor and glory to our country. It believes that by honoring the sportsmen and women of the country, we sow seeds for new talent to sprout.

The Best Sportsman of the Year award was instituted in the year 1986. It took off on April 20, 1987 when the Academy honored India’s cricketing superstar, Mr. Sunil Gavaskar, for completing 10,000 runs in test cricket. It was a rare feat and the whole world acknowledged the little master’s efforts. Maharashtra Chief Minister, Mr. Shankar Rao Chavan, presented the trophy to Mr. Gavaskar. A galaxy of VIPs including Mr. Ashok Patil, Mr. Sushil Kumar Shinde, Mr. Vilasrao Deshmukh and Mr. S. K. Wankhede attended the function.

After Gavaskar, it was Mr. Narendra Hirwani who deservedly received special attention from the Academy. Mr. Hirwani had mesmerized the mighty West Indies with his art of wrist spin on his debut claiming 16 wickets! He was presented a cheque for Rs. 10,000 and a medal. The function was held at the Supper Club,

Obero towers. Other sports personalities who received the Honors from the Academy included Mr. Kapil Dev, Mr. Vinod Kambli, Mr. Rajeev Bagga, Mr. Sachin Tendulkar, Mr. Viswanathan Anand, Mr. Praveen Thipse and Mr. Yasin Merchant.

In 1988, the Academy felicitated the visiting Soviet Olympic volleyball and swimming teams at the Radio Club. Soviet Consul General Mr. V. N. Egarov and Minister of State for Education, Ms. Chandrika Kenia, were present on the occasion.

The Academy contributed liberally for many sports events for men, women and the handicapped. It also encouraged

the trust. The event was held in association with the Loomba Trust, UK, to celebrate its ten successful years.

The Loomba Trust was established in UK in 1997 to create awareness of the plight of widows and to provide help to them and their families. The Trust educates over 3,600 children of poor widows in 29 states in India through scholarships.

Speaking on the occasion, Mrs. Blair stressed the importance of educating women. She stated, "If you educate a woman, you educate the entire family". Sheriff Mrs. Indu Shahani, who was the Guest of Honor, complemented Mrs. Blair by speaking about the need in India for inclusive education. Every speaker at the function praised Priyadarshni Academy for its social commitments, especially in the field of education.

Social Commitments

Fight against Drug abuse

Along the road to growth, the Academy treads the path of creating social awareness. The growing menace of drug abuse was one major concern and the Academy decided to battle it out through educating young school and college-going students. The students were trained to visit schools and colleges to propagate knowledge about the evils of drug abuse. In Mr. Rupani's words, "They should learn that at first they consume drugs and then the drug consumes them."

In 1987, the Academy also established an anti-drug addiction award. The first recipient of this award of Rs. 5000/- was Mr. Russel Pinto. A reformed drug-addict, Mr. Pinto started Sevadhan, a prominent drug rehabilitation centre for drug-addicts.

10 January 2008 - Mrs. Cherie Blair, wife of former Prime Minister of UK and President of The Loomba Trust, receiving a memento from Mr. Jayantrao Patil, Maharashtra Minister of State for Planning & Finance and Mr. Nanik Rupani

On February 18, 1989, the Academy in collaboration with Partha Institute of Personality Development, organized a debate for school children on topics related to drug addiction.

The Academy went forward to address this issue at a global level. On March 9 1989, the Academy, in collaboration with the United States Information Service, organized a high-powered Round Table discussion on “Current U. S. and Indian Drug Abuse Laws” at the American Center, Mumbai. Amongst the dignitaries who participated were, Mrs. Lois Herrington, Chairperson of the White House Conference for a Drug-free America (1988-1989); Mrs. Prabha Rau, the then Mahatrashttra Minister for Revenue and Cultural Affairs; Mr. Madhav Gadkari, Editor of Loksatta; and Mrs. Bakul Patel, Social Worker to name a few.

Continuing its fight against drug addiction, Priyadarshni Academy also hosted a reception to the visiting Soka Gakkai International (SGI) Cultural Delegation led by Dr. Yoichi Kawada, and Mr. Yuji Tago, Vice-chief of Soka Gakkai Youth Division. Dr. Yusuf Merchant, a pioneer in the rehabilitation of drug addicts, sought help of SGI to blunt the edge of drug addiction in India. The Japanese methods were found to be helpful in containing the menace.

Say No To Dowry!

Dowry originated in upper caste families as the wedding gift to the bride from her family. Dowry was given to help with marriage expenses and became a form of insurance in case the bride's in-laws

mistreated her. Although dowry was legally prohibited in 1961, it continues to be highly institutionalized. The groom often demands a dowry consisting of a large sum of money, farm animals, furniture, electronic gadgets, etc.

Dowry abuse has been one of the prevalent social evils in Indian society since ages. Such social evils only tend to subordinate women in society. Priyadarshni Academy, which is seriously concerned with the honor and welfare of women, decided to fight against this heinous practice so as to restore the honor of women in Indian society.

In Mr. Rupani's viewpoint, 'the problem of dowry abuse is more predominant in rural areas and in small towns. We have

to educate women about their rights. The thinking of society has to be changed. There cannot be a family without a woman. It is the responsibility of the younger generation to do away with barbaric acts related to dowry abuse.'

On February 1, 1987, the Academy set up an anti-dowry committee with

Ms. Shabana Azmi as Chairperson. The Academy's Legal Aid Cell offered all possible assistance to women who faced the wrath of their in-laws for not bringing 'enough dowries.' It even ensured police protection by coordinating with the social security cell of the police department.

Further, the Academy conducted orientation camps to train volunteers to help the victims. It also organized debates, seminars and lectures to create public opinion against the evil practice of dowry and the treatment meted out to young brides.

Treasure of Knowledge - Vedic Research

The Vedic tradition is called "Sanatan dharma", an ancient tradition that unfolds the vision of truth. Vedanta, the "anta" (end) of Veda is the last portion of each of the Vedas.

Vedanta means the ultimate knowledge, the culmination of knowledge. It gives us knowledge of the world and the individual. It is a technique for achieving the right interaction with the world and is considered a science of living.

It is the complete manual of self-management that helps us reach our full potential. Science tells us that we utilize, at best, 10% of our capacity. Vedanta helps cultivate the balance 90% and access the powerhouse of infinite energy lying dormant within us. It prescribes the technique of right action, which ensures success. In any field, be it academic, business, music, art or sport, the winning edge comes from the mind.

In order to get more insight into Vedic studies, the Academy organized a meeting of eminent and diversified

personalities on December 23, 2000. The meeting had as its Chief Guest Mr. Shivraj Patil, whose very presence symbolized the importance of the project. The meeting laid the foundation for establishing a Vedic Research Centre. In order to develop interest in Vedic studies for human development, Mr. Rupani, in association with Dr. Vijay Bhatkar, Dean, India International Multiversity (IIMV), established a Vedic Research Centre. This centre was inaugurated in May 2001 and is situated in the IIMV campus in Pune.

Research Scholars of the Vedic Research Centre conducted studies in various areas of Indian knowledge systems like:

- Vedic Mathematics
- Vedic view of Universe
- Nature of Mind and Nature of Knowledge
- Vedic Management

The main aim of this Centre is to “Delve into ancient texts -- the Vedas, the Upanishads -- and unravel the treasures of knowledge they contain.

Laughter Therapy

“Laughter is the best medicine”, according to an old saying. Laughter not only cures many diseases, but also prevents many ailments. In today’s fast-moving world, people are invariably under stress. They are no longer patient, calm or composed. Stress affects them very badly and often leads them to depression and stress-related sicknesses. People try to use relaxation techniques such as yoga, meditation or massage to overcome the problems. But,

laughter provides complete relaxation to the body and soul and causes a unique effect.

Keeping in mind the welfare of the people in different sections of society, Priyadarshni Academy mooted the idea of laughter therapy as a solution to the problems. Laughter therapy is not new and humans have practised it over thousands of years. It was better known in our society as, Hasyayog. However, it was almost forgotten and hardly ever practised.

In order to reap the benefits of laughter and to promote laughter therapy, the Academy organized and sponsored a ‘Laughter competition’ on April 14, 1996 in Priyadarshni Park, Mumbai. The competition received an overwhelming response. Hundreds of people participated and the event drew significant media coverage. The competition provided a big boost to the laughter movement and succeeded in creating awareness about it within India and abroad.

The Academy, seeing the tremendous enthusiasm of people to this concept, decided to start its new division, the Priyadarshni Laughter Club International (PLCI), and inaugurated it on June 26, 1996 with Mr. Kishore Kuvavala as its Chairman and Dr. Siddhartha Khandwala, as Vice-Chairman. PLCI organized regular laughter therapy sessions for groups from all sections of society including the visually and physically handicapped, bringing happiness to countless number of people.

PLCI did research work on laughter therapy and published its findings in the form of a booklet called Laughter Therapy Information Guide to Hasyayog.

The booklet helped immeasurably in spreading awareness about this wonderful natural therapy.

Literary Awards

“Literature adds to reality, it does not simply describe it. It enriches the necessary competencies that daily life requires and provides and in this respect, it irrigates the deserts that our lives have already become.”

- C. S. Lewis

One of Priyadarshni Academy’s objectives is to recognize talents in socio-cultural

platforms and to encourage them. Right from its inception, the Academy decided to felicitate the accomplishments of noted and upcoming scholars and to bring to light their works in Hindi, Marathi, Sindhi and Gujarati languages. Since 1986, the Annual Literary Awards have been conferred on a number of litterateurs who have contributed to literature in their respective languages. The trophies and cash prizes have not only honoured them but also encouraged others to produce literature of a high calibre.

Golden Moments

A Tribute to a True Leader

August 20, 1993 will be etched in gold in the annals of the Academy. It was the day when the Academy paid tribute to the nation's beloved leader, late Mr. Rajiv Gandhi.

Chairman Rupani had the rare honor of presenting a life-size portrait of late Mr. Rajiv Gandhi to Mr. Shivraj Patil, Speaker of the Lok Sabha, to be installed in the Central Hall of Parliament, New Delhi. Dr. Shankar Dayal Sharma, President

of the Republic of India, unveiled the portrait in the presence of Vice President Mr. K. R. Narayanan, Prime Minister

Addressing the gathering of dignitaries, Mr. Rupani said it was a great honor and privilege for him and Priyadarshni Academy to present the portrait of one of the Nation's great leaders.

Mr. P. V. Narasimha Rao, Mrs. Sonia Gandhi, Members of Parliament and other dignitaries. The portrait was painted by the well-known artist, Mr. Bikash Bhattacharya.

Addressing the gathering of dignitaries, Mr. Rupani said it was a great honor and privilege for him and Priyadarshni Academy to present the portrait of one of the Nation's great leaders. Paying tributes to Mr. Rajiv Gandhi, he said that Mr. Gandhi was a true patriot who lay down his life in the cause of national unity and integration. Mr. Rupani also reinforced the Academy's commitment of service to society.

In recognition of Mr. Rajiv Gandhi's invaluable contribution to national integration, the Academy decided to

rename its 'National Integration Award' of Rs.1 lakh presented once in 3 years, as the 'Rajiv Gandhi Memorial Award for National Integration'.

Chairman Rupani had the rare honor of presenting a life-size portrait of late Mr. Rajiv Gandhi to Mr. Shivraj Patil, Speaker of the Lok Sabha, to be installed in the Central Hall of Parliament, New Delhi.

Mr. Shivraj Patil hosted a special dinner the same evening in culmination of the stellar event. The dinner was attended by many dignitaries, leading press personalities, educationists and well-wishers of the Academy.

Priyadarshni Academy's Pride - Global Awards

Priyadarshni Academy's Awards were instituted to recognize and promote outstanding contributions in different fields of human endeavor. The Academy held its First National Award Function in 1985 when Prof. Ram Panjwani was honored for his social service and Barrister Hotchand Advani for his contribution to education. The primary objective of this initiative was to acknowledge the noteworthy contributions of awardees to education and social work.

The award functions marked the anniversary celebrations of the Academy. It was at the next function that the Literary

Awards were introduced to honor Hindi, Marathi, Sindhi and Gujarati Litterateurs. In subsequent years, more and more award including the Smita Patil Memorial Award for Best Actress, Afforestation awards, Sports awards, Overseas Indian of the Year Award, National Integration awards, Public Service award and Education award, to name a few, were added to the categories of awards. This function was held annually till 1994 before it became biennial.

In the course of its journey, the awards instituted by the Academy grew in stature and prestige. They also assumed an

international character, as the recipients were not confined to our national boundaries but came from across the globe. Thereafter, this flagship event came to be popularly known as ‘Global Awards’.

In 1993, the first global award was conferred on Dr. Daisaku Ikeda, President, Soka Gakkai International, Japan, as the “Global Peace Award for International Understanding”. The Harish Mahindra Memorial Global Award for Outstanding Contribution to Corporate Social Responsibility was introduced in the year 2000 and Mr. Katsuhiko Machida, President, Sharp Corporation, Japan, became its first recipient.

The awardees are experts in their respective fields who have made path-breaking contributions and a lasting impact on the global social, economic, and political environment.

Since the Awards assumed a global character, the selection criteria became sharper and elaborate. The Chairman of Priyadarshni Academy, in consultation with senior office bearers of the Academy appoints a Global Awards Advisory Committee. The Committee consists of not more than 20 distinguished experts from different walks of life. The Committee also has two Coordinators appointed by the Chairman of the Academy. The Global Awards Advisory Committee identifies, considers, and selects the awardees.

Since 2007, Dr. Ramesh A. Mashelkar, President of the Indian National Science Academy, is heading this prestigious Advisory Committee.

The “Silver Jubilee Global Awards” function of the Academy was held on the 19th September 2008 at the Regal Room, Hotel Trident, Mumbai.

19 Sept 2008 - Dr. R. A. Mashelkar, Chairman, Priyadarshni Academy's Global Awards Advisory Committee and Dr. Michael Nobel, Executive Chairman, Nobel Charitable Trust, are seen lighting the traditional lamp on the occasion of Priyadarshni Academy's Silver Jubilee Global Awards Function. Others seen in the picture are: Mr. Jayantrao Patil, Minister for Finance & Planning, Government of Maharashtra, Chief Minister Mr. Vilasrao Deshmukh and Mr. Nanik Rupani.

Chapter 05 Climate Change

Speaking at the 21st session of FAO on November 9, 1981, former Prime Minister Mrs. Indira Gandhi said:

“Every country should give greater attention to the preservation of forests. A five-thousand-year old Indus Valley seal depicts two thoughtless men pulling trees by their roots. From the center springs a figure, the spirit of the tree, which with outstretched arms, demands an end to this destruction. We have a contemporary version of local women putting their arms around the trees to prevent cutting of trees. There is an old adage in Kashmir that food will last as long as forests do. The close relationship between food production and forestry is well-known, but generally ignored in practice.”

From time immemorial, man has made life easier by inventing new devices and exploiting Mother Nature. He never realizes nor bothers to recognize the damage he does to the environment. We are not far away from the point of no return in terms of irreversible inflictions on Nature. Already, visible climate changes are happening and many natural calamities are taking place. It has become the bounden duty of every citizen of the world to take corrective action now to stop the impending disaster.

In order to protect natural resources and environment and to create awareness among citizens, especially the youth, the Academy took active steps right from its

beginnings. It instituted the Afforestation Award in 1987 with the idea of creating mass consciousness about the need to preserve our forests and honor those in the forefront of the ‘plant more trees’ movement.

Mr. Niranjana Hiranandani was the first Chairman of the Afforestation committee. Mr. Vinayak Rao became the first recipient of the Afforestation award in 1987. Mr. K. B. Patel of Ahmedabad, Mr. Mohan Dharia, former Union Minister of Commerce and Mr. Nana Chudasma, former Sheriff of Mumbai, were the awardees in subsequent years. Mr. D. D. Chavan, Mr. B. A. Desai and Dr. Rashmi Mayur were the proud recipients of the award when it was sponsored in the memory of Mrs. Haribai Daulatram Mangtani.

Since 1994, the Afforestation award has been incorporated in the Global awards category. It is now known as the ‘Global Award for Preservation of the Environment’.

The Academy started a Forum in the year 1992 for environment protection in order to tackle the following problems:

- Prevention of garbage dumping into the sea
- Solid waste management
- Control of traffic pollution

- Promotion of an awareness campaign involving all sections of society to educate them about the urgent need for environmental protection.

The Forum is a core action group for initiating prompt action on various issues concerning the environment. It makes regular attempts to make the citizens environment-conscious through meetings and other movements.

Officials of the Academy participated in the human chain formation along with many other NGOs at the Kanjurmarg mangrove area on June 3, 2007 in order to bring to the notice of the public the destruction of mangroves and salt pan lands and also the apathy of Indian law makers and law enforcers towards the protection and conservation of natural resources and environment.

The Academy continues to arrange and participate in several programmes and activities concerning the protection of the environment. At the invitation of Mr. Jeffrey Sachs, global leader in sustainable development, Chairman of the Academy Mr. Rupani participated in the discussions

at the Global Roundtable on Climate Change organized by The Earth Institute, Columbia University, USA, on May 11-12, 2005. The Roundtable was an attempt to fashion new global consensus on core issues critical to shape public policies on long-term climate change. This high-level conference was represented by about 150 delegates from all over the world.

The Academy organized two screenings of Al Gore's internationally acclaimed film, "An Inconvenient Truth: A Global Warning", in the American Centre, once in collaboration with Chetana Foundation for Social Awareness Research and Development and a second time directly under the Academy's auspices. Mr. Shailesh Haribhakti, Chairman, Global Warming Committee, Indian Merchants' Chamber was a speaker at the latter event.

The Youth Wing of the Academy organized a program "Agents of Change Conclave, Road to Copenhagen" at the American Centre on June 29, 2009. Mr. Paul Folsmbee, US Council General and Dr. (Mrs.) Indu Shahani, Honorable Sheriff of Mumbai presided over the meeting.

20 June 2009 -Mr. Paul Folsmbee, Dr (Mrs.) Indu Shahani and Mr. Nanik Rupani talking to the Press at the inauguration.

Other Initiatives

Healthy Youth! Healthy India!

In India, there is rising incidence of Obesity, diabetes, hypertension, heart problems, strokes and mental stress related diseases. These are called Life style diseases as the problems are caused by an unhealthy lifestyle that tracks through childhood into adolescence to adulthood.

In order to prevent these diseases and to help the youth live a healthier life, Priyadarshni Academy took the initiative to support the project, “Healthy Youth, Healthy India.” It was a project jointly conducted in Mumbai by Priyadarshni Academy, Association of Adolescents and Child Care in India (AACCI), Delhi, and K. C. College.

The main objective of this project was to bring about sound mental and physical health among adolescents by creating awareness among college students in Mumbai on life style intervention, to prevent diseases and also to teach LSE (Life Skills Education) to them.

Priyadarshni Academy’s ambitious ‘Healthy Youth, Healthy India’ project took wings on July 15, 2008 with a grand opening at the K. C. College Auditorium. The program was inaugurated by Mr. Milind Deora. Dr. Indu Shahani, Sheriff of Mumbai, Mr. Jignesh Shah, Chairman

and Group CEO, Financial Technologies (India) Ltd., and Mr. Vynsley Fernandez, COO, INX News and Group Director, INX Media were the Guests of Honor. Prof. Nanik Shivdasani, Director, Jai Hind College, was the Special Guest. Other speakers included Dr. Swati Bhawe, Director of AACCI, and Ms. Manju Nichani, Principal of K. C. College. An intensive interactive workshop for students on “Life Skill Education and Healthy Lifestyle” was conducted on July 17 and 18. On July 19 and 20, an interactive workshop was held for parents to understand and deal with adolescence and help them adapt a healthy life style.

Youth Wing

Priyadarshni Academy, in its endeavor to help the youth of India, had decided to channelize part of its role through dynamic and enthusiastic youngsters. Accordingly, it inaugurated its Youth Wing on March 31, 2009 at its annual Scholarships and Literary awards function. The Youth Wing will focus on the development of the youth through activities on themes that are of interest and concern to them. The Youth Wing plans to organize major events in various fields in the coming months.

Highlights : This is an event to be etched in gold in the history of the Priyadarshni Academy. The Academy paid tribute to the nation's beloved leader, the late Mr. Rajiv Gandhi in a unique way. The fine and true to life portrait was the excellent work of the well-known artist Mr. Bikash Bhattacharya. In recognition of Mr. Rajiv Gandhi's invaluable contribution to National Integration, the Academy decided to present its 'National Integration Award' of Rs.1 lakh once in 3 years, as the 'Rajiv Gandhi Memorial Award for National Integration'. Later on that day, Mr. Shivraj Patil hosted a special dinner on the same evening as a culmination to the great event. Many dignitaries, leading press personalities, educationists and well-wishers of the Academy graced the occasion.

A dazzling and memorable event amidst great fanfare!

Priyadarshni Academy hosted a glittering function to mark its 34th Anniversary Global Awards at Hotel Trident, Nariman Point, Mumbai on September 19, 2018 where a galaxy of prominent personalities graced the event that honours eminent persons for their outstanding contributions in their respective fields.

Apart from the awardees and dignitaries, an eclectic audience comprising the who's who of society was present at the function.

Chief Guest Mr. Nitin Gadkari, Minister of Shipping; Road Transport & Highways; Water Resources; River Development & Ganga Rejuvenation, lit a lamp to mark the inauguration of the function.

It was an enchanting evening and Dr. Niranjan Hiranandani, Chairman of the Academy, initiated the proceedings by welcoming the Chief Guest, Guest of Honour, eminent awardees and the colorful audience.

Chairman Emeritus, Mr. Nanik Rupani, recounted how 34 years ago the idea of Priyadarshni Academy took shape in his mind and how his nurturing this idea had made it the world renowned NGO, that it has become in the last three decades. For him, it was indeed, a very proud moment and a dream come true.

Mr. Nitin Gadkari and Mr. Piyush Goyal presented following awards.

- Priyadarshni Academy Global Award for outstanding contribution to Education for Underprivileged to Ms. Anu Aga, Chairperson and Founder Trustee, Teach For India, Mumbai, India
- Pralhad P. Chhabria Memorial Global Award for outstanding contribution to Child Development to Ms. Neelam Makhijani, Country Director, ChildFund India, Bengaluru, India
- Smita Patil Memorial Award for Best Actor to Ms. Anushka Sharma, Actor, Mumbai, India
- Harish Mahindra Memorial Global Award for outstanding contribution to the promotion of Peace and Crisis Management to Ms. Elisabeth Rehn, Hon. Minister of State, Finland

- Priyadarshni Academy Global Award for outstanding contribution to Innovative Entertainment and Community Development to Mr. Ronnie Screwvala, Founder Director, Swades Foundation, Mumbai, India
- Priyadarshni Academy Global Award for outstanding contribution to Science and Technology to Prof. M. M. Sharma, Emeritus Professor of Eminence, Institute of Chemical Technology

To commemorate the achievements of Priyadarshni Academy over the last three decades, a book titled **“40 Years of Service to Humanity”** was released by Chief Guest Mr. Nitin Gadkari.

Mr. Piyush Goyal apprised the audience that he had been an observer of Priyadarshni Academy’s impressive growth over the years and the remarkable contribution it had made to society in all these years. He congratulated the Academy for its visionary zeal and its noble intent of contributing to the upliftment of the needy; and for honoring prominent personalities for noteworthy contribution to society.

Mr. Nitin Gadkari, lauded the role of Priyadarshni Academy for the last 34 years and congratulated it for its remarkable journey over the last three decades.

Mr. Suresh Prabhu, Minister of Commerce & Industry; and Civil Aviation, could not attend the event but sent a recorded congratulatory message stating that he had always been a participant in the celebrations of Priyadarshni Academy and though this time he was not present in person, his heart was with the Academy.

The function was conducted with great finesse by M s. R eena R upani, the Master of Ceremonies, who regaled the audience in her inimitable style.

Mr. Prabodh Thakker, Vice Chairman of the Academy, proposed a vote of thanks thus bringing down the curtain on this glittering evening attended by the who’s who of Society.

...who graced the Global Awards Function

Service to Humanity is the Best Work of Life

Established in 1984, Priyadarshni Academy has completed **four decades of service to humanity**, driven by the belief that giving back to society is a vital duty of all.

Supporting the deprived overcome financial obstacles, Priyadarshni Academy offers **educational scholarships** to bright, deserving students for pursuing dream careers in Medicine, Engineering, IT, Education and other fields.

The Academy is fondly referred to as 'India's Cultural Ambassador'. The momentous Global Awards Program is a signature event of the Academy which puts India on the cultural map of the world. Aptly nicknamed 'Asia's Nobel Prize', the illustrious **Priyadarshni Academy Global Awards** are conferred on dignitaries of both national and international repute for exceptional contributions in their fields of work.

Committed to preserving India's rich cultural heritage, the Academy fosters harmony through its **National Integration through Dance and Music** project. The Academy also recognizes outstanding Indian authors through its **Literary Awards**, promoting languages such as Hindi, Sindhi, Marathi and Gujarati.

Priyadarshni Academy disseminates the brilliance of ancient Indian wisdom globally, through the **publication of books**. Its special publication Kautilya's Arthashastra: The Way of Financial Management and Economic Governance, has inspired several world leaders and the book has been translated into a good number of Indian and foreign languages.

As a registered charity under **CSR-1 of MCA, Government of India**, Priyadarshni Academy assists Corporate India in meeting CSR goals. All donations to the Academy are tax-exempt under **Section 80G of the Income Tax Act**.

We invite all conscientious citizens to join hands with us to serve society through Priyadarshni Academy. To know more about us, please visit us at www.priyadarshniacademy.com.
